

A weekend retreat with reflection and input

# THE PRODIGAL SON

Anne Priestley RSM  
& Annmaree Sutton

**Fri 20 Sep, 7pm - Sun 22 Sep, 3pm**

We use this beautifully human parable of mercy, which is at the centre of the spirit of Corpus Christi Greenvale, home for homeless men.

In it we too can find ourselves as God's prodigal children and we can come to understand more deeply our emotions, reactions and actions as we grow in our desire of an intimate relationship with God.

In our time together, we are invited to open ourselves to receive the deeply merciful love of our God, who is always waiting for us. This is a silent retreat.

Live-In: \$290 Live-Out: \$190
