

THE PRODIGAL SON RETREAT

*Anne Priestley RSM and
Annmaree Sutton*

Using this beautifully human parable of mercy, as Luke narrates it, we can see ourselves as God's prodigal children and we can come to understand more deeply our actions, reactions and emotions as we grow in our desire of an intimate relationship with God. In our time together, we can open ourselves to receive the deeply merciful love of our God, who is always waiting for us.
